The case studies include an investigation of references to Miriam in Lady Mary Sidney's psalm translations; an unpacking of comparisons between Deborah and Elizabeth I; and, importantly, a consideration of the feminization of King David through analysis of his appropriation as a model for early modern women in writings by both male and female authors. She felt disillusioned with Haredi life. The time had come, I felt, to tug at the blinkers of both camps and reconsider the authorship debate: Had anyone ever proposed that the creator of those extraordinary women might be a woman?
