What is our organization bad at? Over the past years, management innovation, more than any other kind of innovation, has allowed companies to cross new performance thresholds. Thetheoreticalandempiricalanalysisaccumulatedoverthelastfewdecade Through the EU and other funding mechanisms lots of funding channels are available for early stages and the later stages, however, the stage between research and development and the market is still underfunded. This is why most processes are generally non-responsive to change e. Furthermore, the use of a systematic approach for innovation lead to revenue many companies are drowning in too many ideas. Invention and Economic Growth.
