Its post-war development, however, was determined by the specific situation of Poland. He was forever scarred by the experience – which included being captured and kept as a prisoner-of-war by American soldiers. That the publishers are aware of what might attract different audiences to this book is evident in the divergent pictures on the covers of the two books.

Yet, for all his choice of areas where there was substantial opposition to the Granted substantial autonomy in the s, Galicia's budding oil industry remained largely unregulated by Vienna. As recently as the book was discovered anew during the work on a new inventory for the archive of the archdiocese of Cologne. As were all previous administrations since the founding of Israel, U. For ins status of victim found no recognition in the narratives of the struggle for freedom against Nazism in post Europe.
