Mind you he had perfect health. Smoking interferes with blood circulation, and so compounds the effects of nerve and blood vessel damage.

While there are many precautions to take, one of the most crucial ones is education.

I waited two more days before contacting Dr Leong when I realised it was not getting any better. The demon who is feeding Homer donuts says: "I don't understand it. Like high blood sugar, high blood pressure damages blood vessels. Herbut with HFMDs saw her losing her fingernails, toenails and hair. His first punishment is to be strapped down and force-fed "all the doughnuts in the world!"
