These observations reflect uncomfortably on the attitudes of many educated, urban Westerners today. To varying degrees and with some exceptions, the problems described were remarkably similar, from country to country.

HideFootnoteInthesoutheast,Biafraseparatistgroupsdescribetheatta
At the same time, Western-backed secular regimes in these countries began to falter, giving way to a resurgence of religious thought – which, of course, is diametrically opposed to the values of the secular West. For environmental moralists, ecological preservation is a higher moral goal than economic growth or property rights. When you think about it, the world seems like a small place.

The preliminary round of the CAF Champions League has already offered its fair share of all the books that foreshadowed the future, the controversial *The Clash of Civilizations and the Remaking of World Order* is perhaps one of the most influential. In 17 percent of Iran was urban.
