Member of the editorial board of Just Security. The requirement of immediacy as distinct from the requirement of imminence discussed above distinguishes an act of selfdefence from mere retaliation. The Articles further obligate Parties to search for persons alleged to have committed such offences and either to bring them before their own courts, or to hand them over to another Party for prosecution when that Party has made out a prima facie case as to the matter in question. Beingthefirstauthoritativeverestatementoftheapplicationandinterpretation of the Law of the Sea Convention, Arts. Rule 75 – Protection of detained persons Rule 76 – Correspondence of detained persons Rule 77 – Compelled participation in military activities. Note that domestic law often permits members of the armed forces and law enforcement agencies to conduct activities such as the use of force that would otherwise be unlawful.
