William Grant Still Sr. With these idle princes and such
contemptible arms, my history must, therefore, be filled; to
which, before I descend, it will be necessary, as was at first
proposed, to speak of the origin of Florence, that it may be
clearly understood what was the state of the city in those
times, and by what means, through the labours of a thousand
years, she became so imbecile. JacobBurckhardt.With
cultivation the earth becomes fruitful, and the air is
purified with fires – remedies which nature cannot provide.
