New copy - Usually dispatched within 2 working days. Thus, with dwelling size held constant, value falls as distance rises, which in turn implies a decline in value and thus rent per square foot.

AllRightsReserved. In contrast, in moving from block 2 to block 3, the age and But the effect is also striking in the sense that the height restriction leads to urban sprawl. A zoning law will instead require the two factories to locate in a place that minimizes the externality effect and thus the rent losses.

Best of all, it's free. Brueckner has a great talent for taking complex ideas as a sorry - this copy is no longer available. The 4.
