As Art tries to figure out who he is, he learns that he is being stalked by a group. This mystery would make a great movie. I recommend this book to all who have been to the National Gallery, and to all who plan on going to DC in the future. This book has the feel of a book written for grownups with kids as the The Van Gogh Deception characters –in fact they are children almost in name only –as even their thoughts, choices, and actions are not very childlike. DeronR. He knows what minerals are used in hundred year old paints. Jan 28, Jenny Bozkurt Lopez rated it really liked it.
