Planet Earth is Blue 1 week ago. You may be incredulous at what you find but it will touch your heart.

I hope people will be inspired to try a little harder and do a little better. One

At the very least it will be helpful to me to remember these books and my experiences in reading. I see these books as evidence that we were once a much more favored and blessed people. Marlene Shauna!!

They told me to return at once, and then I was out in the air again, floating fast
