Powell would go on to reprise the role several times, and other actors also took

A missing playboy, a note signed in Chinese ink, strange gaps in a collection of semiprecious stones - and Philo Vance is off on another baffling case, pitting his ice-sharp brain and quick trigger finger against a desperate arch-criminal. The first story-the ninth in the series-'The Garden Murder Case', takes its name from the New York city rooftop garden...

Created by S. But I guess he was taken seriously -- for years he was America's most popular homegrown detective for years, inspiring games and toys and films and radio and television series and even a daily newspaper comic strip. He remains one of the most pivotal of fictional detectives, culturally and historically significant, and totally important in the development of the genre as a whole, and perhaps more importantly, seemed like a man of his time - an American man of his time.
