Barker, Howard. In this moment, the disdain caused by the signifier is eclipsed by the desire for what it signifies in its most literal capacity. Powered by: PubFactory.
London: printed for R. New York: Oxford University Press,
Abstract: The deep-rooted sense of corruption that pervades the world of Thomas Middleton, John Webster and John Ford finds expression in British political writers of the 17th and 18th centuries, including Caryl Churchill, Barrie Keeffe, Edward Bond, and Howard Baker, all of whom engage with Jacobean drama through both homage and aggressive re-interpretation.
