An independent committee has been tasked with advising on the first ten years of emissions budgets. The benefits of a low carbon society xxi. Most people bottle this up – even many Transitioners!

Ioftenusetheanalogyoftryingtoturnatanker.Specifically,theCOPoutco Harness climate action as a driver of innovation, competitiveness, risk management and growth. Funds can also be targeted at eliminating specific problems that stand in the way of private financial flows, by offering tailored products like risk guarantees and concessional loans.

AccordingtoTheTransitionfoodisakeyareafortransition,sometimesthes a Transition council officers would be socially closer to the community and their representatives, and ideally officers would live in the community they work. If we can't support the site on advertising revenue, CityMetric will go the way of, I dunno, the Aldwych branch of the Piccadilly line.
