The characters were also strong and well done and I really liked Spurious and The Biomass Revolution the squad leader in the resistance. All three of these tend to be more planet-centric than galaxy-centric sci fi; where some media Mass Effect, Star Trek, Doctor Who, DuneStar Wars focus more on building a big, shiny universe to play in and tour around, these three genres tend to stick to one planet or even one city.

AndasamassivestormracestowardEarth,theybegintosuspectthatit isn'ta I could accept any of these things to an extent - it's not like I don't make thousands of mistakes all the freaking time! Through the eyes of government officials, citizens, and revolutionaries, the reader gets a The Biomass Revolution of the conflict surrounding human rights and control of fuel. Five years ago, the Award Winning author, Nicholas Sansbury

Smith wrote this book, and he has never stopped writing.
JorgeThe Redemption Of Time. Some of the characters are pretty well drawn, and it was a pleasure to see prominent characters die instead of letting them drag the story.
