The stories she hears are not real, but they manage to create a territory that is so real. The critic Robert Irwin singles out the two versions of The Thief of Baghdad version directed by Raoul Walsh; version produced by Alexander Korda and Pier Paolo Pasolini 's Il fiore delle Mille e una notte as ranking "high among the masterpieces of world cinema. So a chain of anomalies is set up. Its stories are regularly denounced as vulgar, improbable, childish and, above all, badly written. In this series View all Book Several elements from Arabian mythology are now common in modern fantasy such as genies, bahamuts, magic carpets, magic lamps.
