That can be a source of real competitive strength. Olian, D. Someofthepeoplearenice. Because global teams have members from different subsidiaries that typically compete with one another for scarce corporate resources, they tend to have a high degree of internal conflict – in addition to a low level of trust. The ad agency flying staff and guests from 40 countries to a product launch in Madrid. Subscribetoournewsletter. But intellectual diversity almost always will bring with it some degree of interpersonal incompatibility and communication difficulty.
