deployed affordable Windows 10 devices using Microsoft Intune for Education, providing each student in the district with their own computer running Microsoft Education solutions. Leaders who insert some humanity into a multifaceted environment exert huge power and influence over their people. Of course, there are challenges that come with this rapid growth.

But we can only maximize the experience of life if we first maximize our own potential. We have to wake up every day and know that we have a tendency—not just because of our life experiences, but also because of the way that we have chosen to respond to them—to repeat a certain set of behaviors over and over. To practice empathy and act on that empathy with a generous spirit that gives people what they need.
